

Instructor(s): Michelle Bogeart and Ellie Rogers

E-mail(s): mbogeart@thewilliamsway.com, erogers@thewilliamsway.com

Program Description

We are excited to have the opportunity to share with you steps to help you overcome any gaps you may find within your schedule. We will help you to understand the importance of reviewing your clinical care guidelines and the impact this may have on your schedule, as well as many other practice fundamentals that will help you to keep from missing beneficial opportunities for both your practice and your patient.
